Best Sugar at Genard. Times are lively in and around the his best-sugar factory at Oznani, Cal. Fourteen thousand, nine bumbred and fifty acres of bests have been planted in that vicinity and are now being prepared for harvest. Over 1,000 mon are which service they receive \$1,50 a day, 18 per cent sacchrine matter. A large by the American Beet Sugar Company, purchased the large Patterson ranch, which contains 5,000 acres. The perchase price is said to be over \$600,000. This is the largest single purchase put through in many years in Ventura. county. The new factory now has a capacity of 2,000 tons of beets per day, and since the capacity was recently doubled, it is now the largest sugar factory and refinery in the world.

A Distant Market For Flour. The Big Bend Cour milt at Davenit a steady sale. The other side of the quitting that market, Pacific, where the countries are densely populated furnishes a market for a in the United States, against 225 last vast quantity of American flour, and year, and 20 in Canada, against 26 last heavy invoices are shipped direct to year. that foreign market from the Lome mill. At the present time the Big Bend mill is turning out several thousand barrels of its superior brand of flour for Japan, and this is only the beginning of what promises to reach greater shipments in the future to the

Japan market. Washington Hops. The vines are reported to be making excellent progress and in many sections the hope never looked better. Nearly all the large yards are in fine condition, and, as rule, are for this season well advanced. There are plenty of lice, but the sprayers are keeping them in check. There have been some con tracts made at from 10 to 12 cents, but growers are generally backward about contracting.

Great Falls Wool. Great Falls, Mont., has proved itself to be the highest and best market for wool in the state of Montana. Over 278,000 pounds of wool was sold one day last week, and it brought very good prices, the highest price paid being 20 cents, and the lowest 17 5-8 cents, the whole averaging higher than any lots of wool so far sold in Montana, and the highest price paid being the top notch at which Montana wools have so far been sold.

For the New Water System. The first carload of steel pipe to be There are 112 feet, or 12 tons on the car. A train of about 40 cars is now \$3.75; rye flour, \$4.50. on the way containing over 500,000 pounds of steel pipe. Each car has four pieces 28 feet in length, or, if the pipe is curved, five pieces 21 feet long.

A California Creamery, The Chino Valley creamery, at Chino, Cal., is making all its milk receipts into butter now, the price of butter having gone up to 50 cents, it is more profitable to make butter than cheese, The association is receiving 7,500 \$2.65; superfine, \$2.15 per barrel. pounds of milk a day and Manager Steele says that as beet pulp comes in gray, 42@43c per bushel. for feed the receipts will run up to 10,-000 pounds per day.

Aug. 2 .- The latest reports from the volcano of Maons Los, received to that Josos is the Son of God; I feel day by way of Kalaisha, is to the lifferent in my heart. My old fasheffect that a great change took place joued heart was different. I feel all in the course of the lava flow on the samidy things. I try to do right, and night of July 18. The mighty stream pray (icd. I want to be swift in God's of burning lavs which was steadily way," flowing toward the town of Hilo and Sucl threatening its destruction, has been fudian on joining a Christian church. diverted in its course so that the danger to life and property in less imminent than at the time of the previous mail advices from here. Ever since the flow began, July 4, the course of the stream of lava has been from the highest active cones down to the mountain hearly due east, past all the sources of lava till it reached and partly crossed ed to charge the breastworks which the flow of 1880. Then it turned of Kalaicha, on the side of Mauna Loa. It spread all over the side of the mountain, occupying an area almost a mile tered. They galloped along, unmolest. Jubilee procession. up to the night of July 18.

Some time during that night the first part of the stream, flowing eastward, broke through its banks about parallel with the old channel, but further west. This is carrying the lava less directly toward Hilo and of the Kohala coast.

The lava flow from Mauna Loa has to their lines. One of these, Lieutenchanged its course and the city of Hilo ant Ellott M. Norton, aftewrard won a

No Remedy for Southern Lynchings. New York, Aug. 2 .- Governor D. M. Jones, of Arkanss, replying to a of lynchings in the South, said:

"In my judgment, the so-called delays in the administration of criminal law so far as Arkansas is concerned have not been the cause of the lynch Flour-Patent, per barrel, \$3.50; ing of any person accused of crime. ed rape, and especially when the as ault has been made by a negro upon white woman. This crime is so heinous and revolting that all the laws in the world, no matter how severe the punishment or how speedy its infliction, cannot in my judgment prevent lynchings when the accused falls into

the hands of the enraged mob. "I can suggest no remedy, because there is none except the cessation of the crime itself. Of course this is to be deplored because it is always best that the law should be permitted to take its regular course, but as long as human nature remains as it is, the conditions in this respect will not be improved."

Boycott in Cleveland.

Cleveland, Aug. 2 .- Every branch of the Big Consolidated system was in full operation today, but cars carried few, if any, passengers. The bocyott is becoming the most important factor. in the struggle. The company officials say it is bound to fall of its own weight within a few days. On the other hand labor leaders declare the boycott has just begun and that when it reaches its full scope all classes and

all interests will be affected, The coroner today found Hawley, non-union conductor who shot and killed Henry Cornswelt, guilty of killing without provocation or excuse. Hawley is in jail.

Report on Smeller Strike. Denver, Aug. 2 .- The state board of arbitration today filed its report on the investigation of the smelter strike. The decision reached is a compromise between the demands of the smeltermen and the concessions of the companles. The question of union or nonunion labor is ignored. It is thought both sides will accept the decision, and work will be resumed soon.

Five Killed in an Explosion. Detroit, Aug. 2 .- A special to the Naws from White Cloud, Mich., says: A threshing machine engine exploded near Big Prairie. Charlie Haight, Alpha Haight, Charles Crabtree, George Overty, Cecil Priest and Raymond Howe were killed. Oscar Evans and George Haight were severely injured

Dealt Summary Justice. Hopkinsville, Ky., Ang. 2 .- Mis Fannis Goodwin, a milliner at Pair. Moore's Revealed Remedy view, this county, shot and mostally wounded Beyon Allegro. She charged that he wrote scurrilous notes and cut offennive phrases in her window with a diamond. She was released without bonds.

A Washington correspondent says the boundary disputs may eventually resuit in a row between Great Britain and Canada.
